PEN EXCHANGE

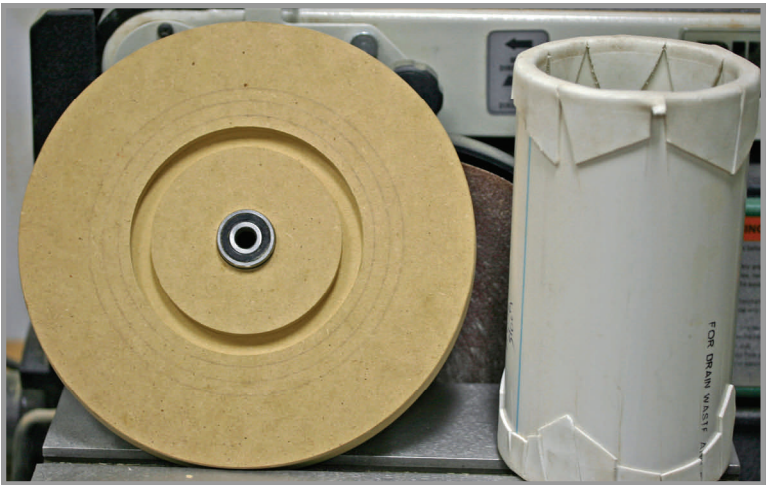

After last month's pen turning demonstration, Our club held a pen exchange. We had about ten participants. Members turned both the kit style and Bic style pens

VACUUM CHUCKS

Last month, several member demonstrated their techniques for building vacuum chucks. They also demonstrated how they set up their personal vacuum pumps.

Members also discussed some of the lessons they have learned. For example, larger vessels require a pump with a larger air flow. Also, thin-walled vessels flex at higher vacuum and the turner has to adjust their techniques.
