We will have registration forms at this meeting, so bring your checkbooks.

Soren Berger Registration

We will also upload the forms to our website so they are available to everyone. We will have separate forms for the demonstration day verses hands-on days. We will also have maps to the location (KHS), Kirkwood High School.

Anchorseal, with anti-freeze is available for purchase through our club. Our club purchases a 55-gallon drum and it is dispensed as members request it.

The price is \$15 for 2 gallons

Please pay our club secretary (Walt Ahlgrim) directly

To order the Anchorseal, Contact Dave Endres:

314-568-1244

endrestoh@att.net

You can pick-up your order with 2 business days notice

Dave's office is in Treecourt Industrial Court, 63122

You can pick-up your order at a club meeting with 3 business days notice

Please, save your containers and reuse them.

SHOW AND TELL

Jon led a group discussion on various topics of beginning turning. This month, March, we are having a discussion on tool sharpening. These discussions are informal and focused on either new turners or turners who want help with a specific question.

Pre-Meeting Discussion

Dan did a demonstration showing how he is using the coloring techniques he learned from Jimmy Clewes. Jimmy was here last year for a seminar covering several topics. Dan has learned to turn some beautiful platters by accenting their rims with a variety of colors. He uses alcohol based stains since they are less likely to raise the wood's grain.

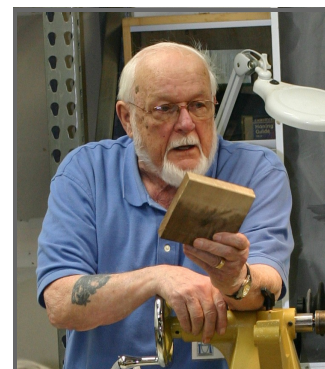

Demonstration

Ray talked bleaching wood as a part of show and tell. He showed examples of the color change in several types of wood.
