April 2020

April Remote Meeting: The April 26th WTSTL meeting was held remotely due to the CORONA-19 pandemic and to protect and keep our members safe. Several members participated in the “practice remote meeting” on April 19th to get familiar with the ZOOM platform and its operation. Then we went *live* for the regular meeting. Laura Spelbring led the meeting discussion with PowerPoint charts just like a typical meeting. Members provided several pictures of their work during the quarantine and those were presented and discussed by each member during Show and Tell. The President will continue to issue a monthly turning challenge but lacking the ability to review each entry and vote, please hold on to your challenge items and they will be viewed when we resume in-person meetings. In the interim, please send a picture of your work to cwsapp@charter.net for inclusion in the Show and Tell for the remote meetings and the newsletter.

Following the business portion of the meeting, the club went into an Interactive Remote Demonstration (IRD) with Jeff Hornung of the Walnut Log (and club member) demonstrating how to turn a lidded box and then turn threads on the box. Members were able to interact with Jeff and ask questions during the demonstration. Everyone had a front row seat and Jeff did a great job of presenting and demonstrating thread cutting. [The Walnut Log](#) is open for orders and Jeff handles many product lines – Nova, Yorkshire Grit, Hampshire Sheen,.... Jeff is also hosting a free weekly Facebook turning lesson at 4pm on Wednesdays. Go to his [Facebook page](#) to participate and to review past sessions.

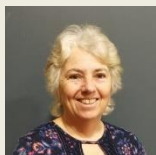

Fifty five (55) participated in the remote meeting – typical attendance for our meetings. Remote broadcasting allowed participants from Lincoln Land Turners, SW MO Turners, and Guild members to join. Other clubs are sharing their demonstrations with the WTSTL. Last week the Lancaster Pennsylvania Woodturners had an IRD with Betty Scarpino and shared it with others (check the last issue of the AAW American Woodturner for contact information with their club.)

At this time COVID-19 restrictions continue to evolve and change. We do not know when we will be able to resume group meetings at CJAP. When we do, the environment will be different. Your Board continues to work on the club mission of providing woodturning education and information. We plan to continue meeting remotely through May and probably June to protect and keep everyone safe. Bob Goulding is scheduling a robust Interactive Remote Demonstration program for you so that you can participate while we are meeting remotely and face to face when we resume meetings. The remote concept was well received by everyone at the April meeting and we hope that more will participate at the remote May 24th meeting.

Our May 24th meeting will also be remote on the Zoom platform. Steve Nagy will be presenting on segmented turning. If you are a segmented turner or a segmented turner want-a-be, you will find Steve’s presentation informative and entertaining. Meeting information with the link will be emailed about a week before the meeting. Please sign on to the meeting with your full name for verification against our roster. If you are not a member of the club and would like to participate, send an email to cwsapp@charter.net with you name, contact information, and a request to participate in the remote meeting.

Library News ● New material is being added to our library and will be available when we resume our in-person meetings. – **Rich Hinkebein**

President's Spin ● “What a world! What a world!” said the Wicked Witch as she was melting. While the sentiments are the same I hope you are not melting into your sofas or easy chairs and are keeping busy. Our first Zoom meeting was a success with lots of participation. We will just have to take it month by month on how long this social distancing will be in effect. Keep those photos going to Charlie to be included in the Show and Tell. Stay safe and keep turning! - **Laura**

EXTRA EXTRA ● Due to unseen circumstances, we have several club positions open. If you are interested, please contact any officer or send an email. We have split these positions so as not to overwhelm any one person.

- SECRETARY – The secretary shall attend and keep minutes of all meeting; take attendance; and maintain name tags, work with NL editor. This is a Board position.
- NEWSLETTER EDITOR – The editor is responsible for collecting articles, editing, and assembling the club newsletter.
- AV Operator – The operator is responsible for setup/breakdown of the AV equipment for each meeting. We would like for at least 2 people to fill this role so a backup is available. We do have a mentor to get you trained.
- PHOTOGRAPHER – The photographer is responsible for taking pictures of the meeting demonstration, Show and Tell, and President's Challenge entries and working with the NL editor.

Re-Turning to the Community ● At our November meeting there will be a gift certificate drawing for members that contribute to our community service programs. Sixty dollars in Craft Supply gift certificates will be awarded (\$40 first prize, \$20 second, and \$10 third place winners). For each item that you Re-Turn to the Community you will receive an entry for the drawing. You do not have to be present at the meeting to be a winner. Sign the sheet by the projects at the meeting when you turn in your item noting how many you are submitting and a brief description. **(NOTE: Please hold on to your turnings until we start meeting in-person).**

Nursing Home Project: A new community service project for our members is to make small lidded boxes for individuals in nursing homes. Approximate dimension should be no larger than 3X3 with loose fitting lids. Once we get 30 or more we will deliver them to a nursing home. If you have suggestions for the nursing home, please let Laura know. This will be an ongoing project for 2020.

Beads of Courage – Our support for the Beads of Courage program continues with boxes going to Children's Hospital. Check out their [link](#) or talk to Ken Bald for more information.

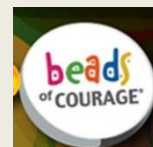

Pens for the Troops • Since 2004 over 175,000 pens have been crafted for the troops thru Woodcraft's Turn for the Troops program. The pens are sent to active duty or recovering military personnel across the globe. In 2018 WTSTL club members turned 30 pens; in 2019 you turned 40 pens; and our goal for 2020 is to turn 50 pens for the program. See Treasurer, Charles Sapp, if you would like to get a pen kit to participate in the program. There is a \$3 deposit for the pen kit but it is refunded when the completed pen is returned. Please bring your completed pens for the troops to the Sept picnic or Oct meeting. They will be delivered to Woodcraft before Veterans Day for distribution to the services. **(NOTE: In the interim if you want to be turning pens for this program you can use pen kits that you currently have and they will be swapped out for a pen kit when you turn in a completed pen. Slimline pen kits will be swapped, but you can submit any kit that you want. If you want to pick up pen kits, contact Charlie Sapp to make arrangements for pick up.)**

Vice President's Report • [Beads of Courage](#): Let's all remember that the Beads of Courage is a program for kids in need. The beads are \$1.25 (13/16" in diameter) and available from Ken at the meetings. Please continue to turn boxes for the program. – **Ken Bald**

Treasurer • An [application](#) for membership is available on the club web site. Renewing and new members are asked to complete the new application form. Forms will also be available at the meeting. Dues are \$30 for an individual and \$40 for a family (up to 3 individuals). Club patches are available from the Treasurer for \$5. – **Charles Sapp**
