

WOODTURNERS OF ST. LOUIS

A Chapter of the American Association of Woodturners

WTSTL.com
January 2025

Meetings are now on THE 4th TUESDAY OF THE MONTH IN THE EVENING. Premeeting starts at 5pm and main meeting starts at 6:30PM. Meetings will continue to be hosted at CTF at 8300 Valcour Ave; Affton, MO. Next meeting will be February 25, 2025.

Keith Buxton - Inside out tulips • Keith starts by squaring up blanks, cutting them to length, and reassembling them using double sided tape (carpet tape works well or you can use turning tape). Typically he makes several blanks to turn at one time – first turning the outside for multiple shapes and then the inside.

The outside is shaped and the parts are separated and reversed. When reversed the “outside” now becomes the inside. Superglue is used to assemble the reversed blanks. The outside is then shaped.

After parting off the flower a hole can be drilled in the bottom to accept a dowel for the stem.

Keith uses a lot of native woods for the tulips. His experience with exotic woods is that they lose their vibrant color when exposed to sunlight. Dyes or paint can be used to give a variety of colors.

The article in [WOOD magazine Dec/Jan 2018-2019](#) has details of the process.

Thanks to Keith for a great demonstration on a unique turning. A video of the demonstration will be available on the WTSTL YouTube channel.

Editor’s note: The AAW Woodturning FUNDamentals February 2023 issue has an article by our member, Bob Goulding on turning wooden tulips. It is similar but different in approach than Keith’s technique. It is available on the AAW website for AAW members.

Mentoring• The Board recognizes the value of hands-on and one-on-one instruction. **Check the website for information on the mentoring program.** It will be one turner at a time; you must provide your project, tools, and face shield; a mask must also be worn. Make arrangements with the mentors to participate. Several of our members have taken advantage

of this opportunity and provided very positive feedback on the mentors knowledge and instruction.

WTSTL Tool Boxes and Turning Tools● Each of our Comet lathes has a number and there is a tool box with tools with the same number in the movable/lockable cabinets. When setting up the pre-meeting area get the numbered box that goes with that Comet. This helps us identify any missing items and which box to replenish.

It is also very important to put the tools from a specific box back into that same box for inventory control. And, be sure that the tool boxes are taken back to the meeting room and stored in the locked mobile cabinets. The chuck and all loose items (spurs, knock out bar, ...) should be removed from the lathe and put back in the tool box for secure storage.

We need your help too. Please give us feedback on the good and bad with the A/V system so we can make your online participation a great experience.

If you do not see video at the start of the meeting (~1pm CT) let us know via the Zoom Chat window.

If the video drops offline or there are other issues let us know via the Zoom Chat window

Please mute yourself during the meeting as any background noise overpowers the demonstrator and puts you in the demo screen.

Please send Steve Botkin and Charlie an email with any suggestions. **We monitor the chat but texts, email, calls, and voice feedback is difficult during the meeting as the AV team is quite occupied with operation of the equipment.**

WTSTL Hybrid Meetings● Each meeting lets us improve and address new issues with our hybrid system. In person meetings will continue to be open to visitors (except when a paid demonstrator is scheduled); remote participation will be available via Zoom. We are discussing the possibility of exchanging Zoom demonstrations with other clubs around the world. More to follow as details are defined.

Website● Electronic membership to the WTSTL is available via the club website. After entering your contact information and selecting your plan, log on to your PayPal account to complete your application and enter the amount to pay. When PayPal asks for our organization, enter **Woodturners of St. Louis**. You will receive a follow up email with your membership card. If you are not contacted within a couple of weeks, email the club Treasurer.

President's Spin ● All - Happy New Year! The first meeting was a great success! We have a few kinks to work out with the new Tuesday meeting day. However, we had a fantastic turnout and presentation on Inside Out Tulips. We also need to fill in 2 positions within the extended board. We need someone to take on the limited role of Librarian and we need a Newsletter Editor. I was once the newsletter editor. It was a great way to learn from many great turners - interviewing the members for information about turning, taking pictures of our member's turnings and putting together the newsletter itself. Additionally, I have found I get more from turning being engaged and involved with the club than I would if I had not been recruited to these positions. I would like to ask each of you to think about doing a little more with the club. Thank you all for being part of this great club! Until next month, keep turning! - **Rob Conaway**

President's Challenge ● Members select their choice of winner for the PC. During the break, review the items on the challenge table. Separate your ticket and write your selection (the number in front of each entry) on the back of the one marked "TICKET". Place it in the PC bowl. Your voting ticket will enter you in the door prize drawing. One PC entry per member; must be turned following the challenge.

Congratulations to the January PC winner: Murray Meierhoff for his walnut bowl.

President's Challenge for February 2025 – Turn some inside out flowers.

Treasurer Report ● **Dues are due for 2025 membership.** Electronic membership applications and payments can be made on the website. If you prefer to complete and mail a [paper application](#), it is available and can be downloaded from the club website. Renewing and new members are asked to complete the new application form. Club patches are available from the Treasurer for \$5. – **Charles Sapp**

Secretary Report January: January's meeting was well attended with 37 in attendance and 4 on line. - **Valerie Botkin**

Library News ● Our library is only open on Sunday at our club meetings and is open to all our paid members for checking out books, videos, and DVD's.

Our library is a great source of inspiration and knowledge. Members can access a complete listing content on the club website. Please take advantage of this wonderful club benefit and return items in a timely manner.

Rich needs assistance with the library. Consider serving as a club librarian or assistant. - Rich Hinkebein

Community Programs ●

Beads of Courage: The Beads of Courage is a program for kids in need. BOC is a not-profit organization dedicated to improving the quality of life for children and teens coping with serious illness. The program integrates the use of beads as visible, tangible symbols of their

experiences and treatment. Children receive a bead for every test, procedure, or treatment they undergo. Woodturners donate boxes to hold the beads they earn. Details on requirements for the boxes can be found on the club web site. Suggestions for BOC bags can be found [here](#). Ceramic beads to attach to the boxes are \$1.25 (13/16" in diameter) and available from Rob. Bring your boxes (or bags) to the meeting and give them to Tom Reel.

Pens for the Troops – Kits are available from the club Treasurer for a \$3 deposit which is returned to you when a completed pen is returned for the program – get your kits and return completed pens to Charles Sapp. Our goal for 2025 is 275 pens.

Wig Stands – This is a new project for the club. Details will be forthcoming and Rob will be doing a demo on the stand in early spring.

Video Resources ●

- The Woodturners of St. Louis have a YouTube channel. On it you will find many of our demonstrations. To find the videos – go to YouTube.com and search on *Woodturner St Louis*. <https://www.youtube.com/@woodturnersstlouis2950/videos>

Note – Not a member of the AAW. They have a guest membership that provides FREE sixty day access to AAW resources and full online access to all published content. Check out their website: [AAW Guest Member](#).

Positions to Fill ●

- Newsletter Editor – The editor is responsible for collecting articles, editing, and assembling the club newsletter.
- Demonstrators– Your help is needed to provide a demonstration at each of our meetings. The demo subject is your choice, whatever you enjoy doing – bowls, hollow forms, plates, boxes, pyrography, resins, stabilizing, tips and tricks, tops, Contact Tom Zeller to volunteer.
- Audio / Visual Team – Additional support is needed to help set up, monitor and understand the system for backup. Additional support would really help. Talk to Steve Botkin to volunteer.
- Pre-Meeting Mentor – Set up the Comets and be available to mentor members and visitors
- We appreciate all the help with set up and clean up. Contact Rob Conaway for more opportunities.

Tax Deductions● The Woodturners of St. Louis is a 501 (c)(3) charitable organization. Donations may be tax deductible. Donate up to \$100,000 annually from your IRA directly to a qualified charity through a [qualified charitable distribution](#). (As long as certain rules are met-such as you're at least 70½ when making the gift, and the check is payable directly to the qualified charity-then the distribution shouldn't be taxable income.)

Contributions accepted at any time of the year!

ZOOM Streaming Links ● Our meetings will be streamed via ZOOM unless noted in the meeting information on the web page. All members should receive a reminder and the ZOOM link during the week prior to the meeting. If you do not receive the link by the Thursday prior to the meeting, **send an email to CWSAPP@CHARTER.NET requesting the link.**

Vendor / Sponsor Discounts ● Check the website for vendors that offer discounts to club members. ***When shopping at Rockler in Bridgeton, ask them to register your purchase with the WTSTL as they provide gift cards to the club for door prizes after a number of purchases.***

If you enjoy turning wood, making things on your lathe or want to learn more about woodturning then join the Woodturners of St. Louis. Learn and share ideas with like-minded Woodturners of St. Louis. Our chapter normally meets from 6:30 pm to 8:30 pm on the fourth Tuesday of every month at 8300 Valcour Avenue, St. Louis, MO with a pre-meeting at 5:00 pm.

American Association of Woodturners • WTSTL is one of 350+ worldwide chapters of the American Association of Woodturners. We encourage you to join this organization. The AAW is dedicated to providing education, information, and organization to those interested in woodturning. You can join the AAW at their site: <http://woodturner.org/member/MemberLogOn.asp>.

Membership comes with access to on-line training information and includes a subscription to the *American Woodturner* magazine. Our club is a chapter of the AAW and we encourage all club members to join the AAW. They have been publishing a great series of on-line woodturning training articles for members that are worth the price of membership by themselves. They have also indexed all of the past AAW magazine articles so you can search and find help with most any issue you have or ideas on your next project.
